## Group Business History

**Company Profile**

National Feed Mill Limited (NFML) is one of the leading feed producing and manufacturing companies in Bangladesh engaged in manufacturing of all kinds feed for poultry, shrimp, fishery & cattle. The Company was incorporated in Bangladesh on December 22, 1999 as a Private Company limited by shares under the Companies Act 1994 and was converted into a Public Limited Company with effect from June 22, 2011. The commercial production of the factory commenced on October 2002. The authorized capital of the company is Tk. 2,000 million and paid up capital is Tk. 400 million.

NFML initially started its Commercial Operation with the brand new machinery imported from Denmark, with an initial production capacity of 5.00 MT per hour. To meet growing demand of feed products the Company expanded its production capacity to another 10.00 MT per hour by setting up 2 new units in

the year 2007 and 2008, which was imported from China. Last year i.e. 2011 NFML installed another locally fabricated 3.00 MT per hour capacity Unit. Presently i.e.. 2012, the total production capacity of the company stands at 18 MT per hour.

Besides the traditional type of feed, there is a huge demand for Floating Fish Feed in Bangladesh, and since the Company does not have a floating fish feed facility to date, NFML has decided to go on an agreement and market floating fish feed under its name as it plans to go on a 5 (five) years Operating Lease Agreement with Karnapur Agro Industries Limited (KAIL), Floating Fish Feed producer. from where NFML plans to capitalize on its existing distribution channels for feed as it has proven to have a strong distribution network all over Bangladesh with our Brand Name being popular among the many dealers and end users. With all this into action, NFML will have reduced the company's Administrative and distribution cost substantially, increasing the Company's profitability. The Factory of NFML is situated at Baniarchala, Member Bari, Gazipur Sadar, Gazipur, alongside of the Dhaka Mymensingh National Highway.
